

# Kate Gordon

---

Director, Governor's Office of  
Planning and Research;  
Senior Climate Policy Advisor  
to Governor Gavin Newsom

California's  
Integrated  
Approach to  
Climate  
Action

---

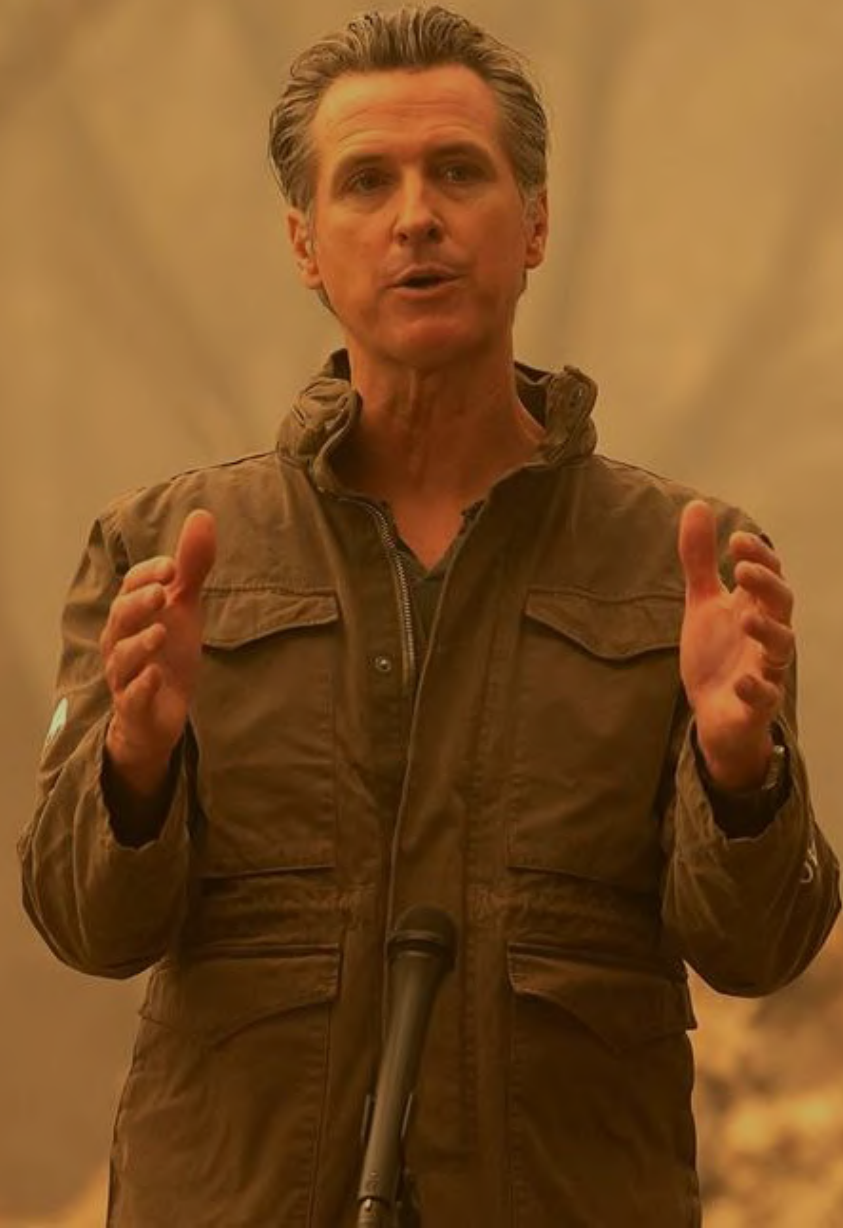

An intersectoral, regional,  
equity-driven approach to  
implementing California's  
climate agenda

# AMBITION

TO 

# A C T I O N

# CLIMATE STRATEGY:

## Transportation Transformation

---

Mitigating the impacts of climate change through alternative transportation options and access

**CLIMATE  
STRATEGY:**  
Natural & working  
lands

---

Reducing emissions, building  
resilience & protecting  
biodiversity through California's  
forests, rangelands, farms, urban  
green spaces, wetlands & soils

# CLIMATE FINANCE:

Addressing climate  
impacts on assets &  
investments

---

Managing the financial risks of  
climate change while  
investing in new, sustainable  
technologies

An electric car is plugged into a charging station. The car is white and the charging cable is orange. The background is slightly blurred, showing other cars and a building.

## Addressing Climate Risk to State Assets

A silhouette of several wind turbines against a sunset sky. The sky is a mix of orange, yellow, and blue. The turbines are dark against the lighter sky.

## California Climate Investment Framework

A view of the Earth from space, showing the Western Hemisphere. The Earth is blue and green, with white clouds. The horizon is visible at the top.

## Coalition for Climate-Resilient Investment

A close-up of a smokestack emitting a thick plume of white smoke. The smoke is rising and spreading across the sky. The background is a dark, overcast sky.

## California Climate Risk Disclosure Work Group

How do we grow  
a more  
sustainable,  
resilient, *inclusive*  
economy...

...While also  
protecting our  
most vulnerable  
communities?

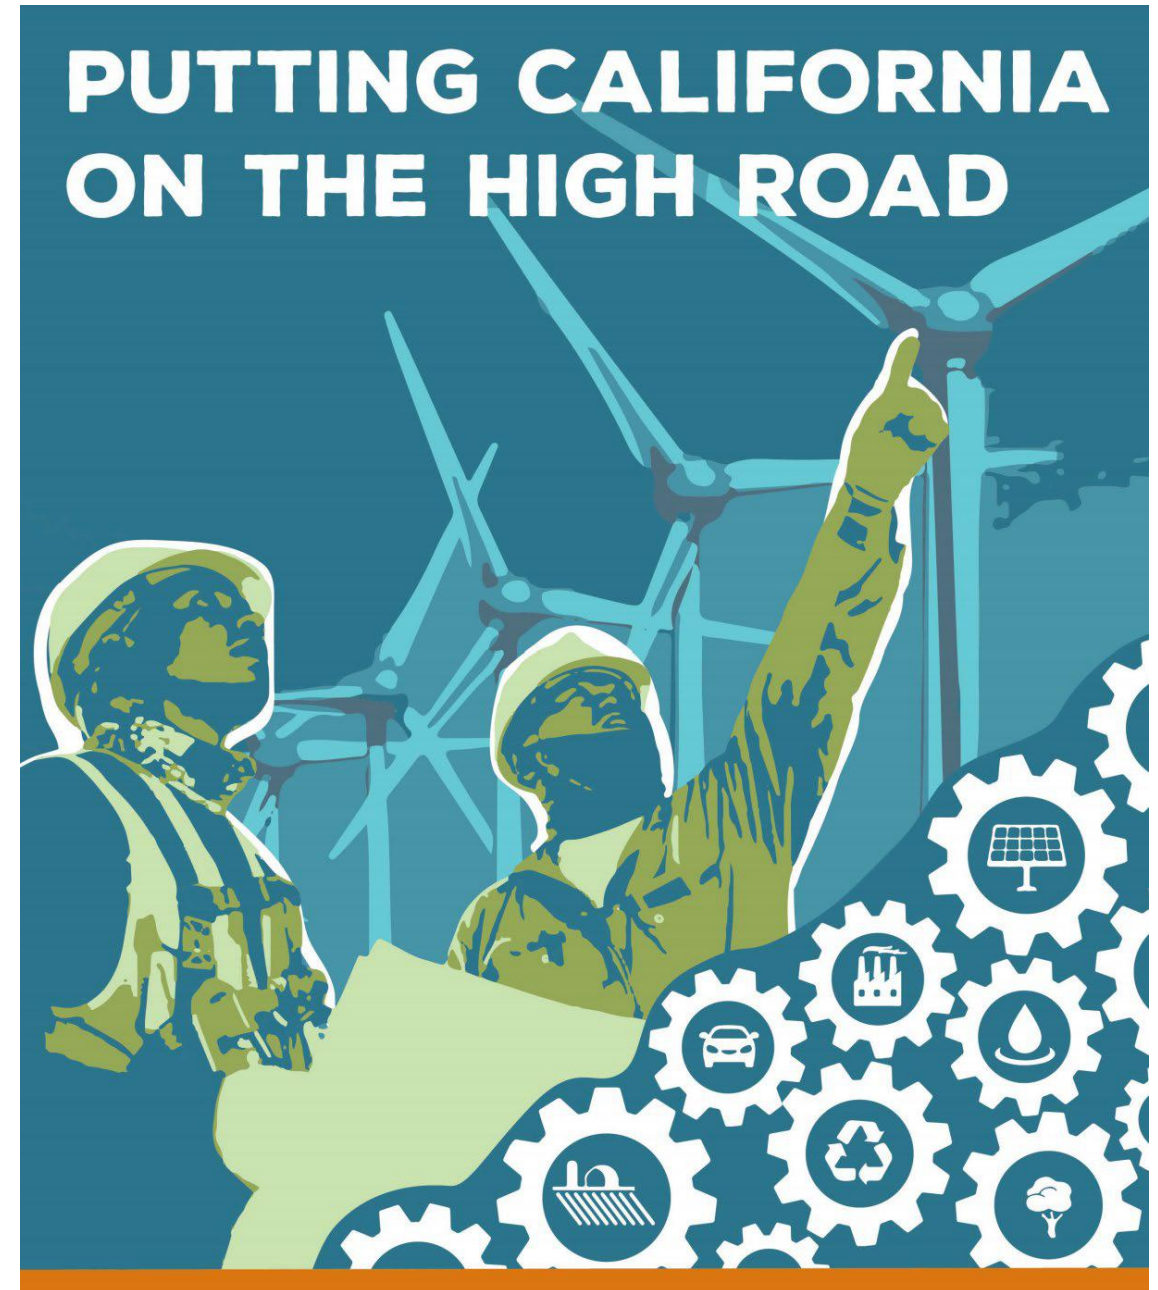

## Advancing Racial Equity & Climate Justice

- California Strategic Growth Council Racial Equity Resolution
- Capitol Collaborative on Race & Equity
- Governor's Task Force on Business & Jobs Recovery Equity Principles
- Equity in planning: EJ planning guidance; vulnerable community mapping

# A “Just Transition” Framework for California’s Climate Investments

- Maximizing **positive labor outcomes**
- Ensuring **inclusive economic growth**
- Assessing **demand**; Delivering **skills**
- Advancing **equity and mobility** for ALL Californians

# THANK YOU!
